

Challenge 2: Convert to default double-sided printing school-wide (1 credit)

This seems like a small task, but actually, converting to double-sided printing can have a **huge impact**. Click [here](#) for instructions on how to set double-sided printing as your default and reduce your paper waste overall. You can also talk to your IT department and ask them to convert the default printing option to double-sided. To receive credit for this challenge, your semester report will have to include:

- A screenshot of one of your computers showing the double-sided printing as your default option
