

Challenge 2: Place recycling bins in all classrooms (1 Credit)

If you are going to increase recycling in your school, the first thing you need to do is make sure that every classroom has a recycling bin. Bins can be anything from cardboard boxes to plastic blue bins. The only requirement is that all bins have a clear [recycling label](#) on them that distinguishes it from the trash can. To receive credit for this challenge, your semester report will have to include:
